

PICOTE PROLITE MILLERS

High-Speed Drain Cleaning. Lightweight Power. Professional Results.

Built for drain cleaning, descaling, and blockage removal in small to mid-sized pipes, the Picote ProLITE Millers deliver professional-level performance in a compact, lightweight form.

Powered by an 18V Li-ion battery, these versatile units provide exceptional portability & freedom on-site without sacrificing cleaning power.

Designed with operator safety, efficiency, and durability in mind, they are ideal for residential, commercial, & maintenance plumbing professionals.

With multiple tooling options, variable speed control, & cordless convenience, the ProLITE Series gives you the power & flexibility to tackle tough jobs anywhere.

USES AND BENEFITS

- **Lightweight Design.** ProLITE 6 is only 13.6kg (30 lbs) & ProLITE 8 is 14.6kg (32 lbs).
- **Compact & Portable:** Ergonomic handle and compact size for easy transport and storage.
- **Cordless Freedom:** Includes single slot battery charger and a Picote Li-ion 18V / 5.0Ah battery in a carrying tool bag. Add a dual slot charger with 2 extra batteries for even more run time & convenience.
- **Variable Speed Control:** Infinitely adjustable from 850-2150 RPM for precision cleaning in varied conditions.
- **Electronic Safety Clutch:** Eliminates kickback risk and improves operator & equipment protection.
- **Power:** Up to 20 minutes runtime at full load.
- **Fast Recharge:** 1 Hr 40 min from empty to full.
- **Tool Compatibility:** Compatible with a wide range of Picote tools including Original Chains (PVC, Standard, & Tiger), Drill Heads, Picote Smart Cutter™, Nylon Cleaning Brushes, & additionally for ProLITE 8: Smart Sweeper, 3D Chains (PVC & Premium), Cyclone Chains (PVC, Standard, Tiger, & Premium), Tiger Drill Chains & Wire Cleaning Brushes.
